Ensure a clean and hygienic premises
with our top-quality cleaning products!

MistyBreeze - Room Freshner

MistyBreeze Room Freshener is a long-lasting air freshener designed to eliminate odors and refresh your space with a pleasant and invigorating fragrance. Ideal for use in homes, offices, restrooms, and other indoor areas, it provides an instant burst of freshness.

Ingredients

Aniline, Isopropyl alcohol, De-Meneralized Water

Directions to Use

Shake well before use.

Hold the bottle upright and spray into the air as needed.

For best results, spray in the center of the room, away from walls and fabrics.

Avoid direct spraying on surfaces, furniture, and electronics.

First Aid

In case of accidental contact, rinse with plenty of water several times.

Get medical attention if needed.

Where there is cleanliness, there is health and happiness.

ClaritySpray - Glass Cleaner

Clarity Spray Glass Cleaner is a high-performance, streak-free solution designed to effortlessly remove dirt, smudges, and fingerprints from all glass surfaces. Its fast-drying formula leaves windows, mirrors, and glass tables

Ingredients

De-Mineralized Water, Castor oil, Isopropyl alcohol (IPA), Polypropylene glycol

Directions to Use

Spray directly onto the glass surface.
Wipe with a clean, dry microfiber cloth or paper towel.
For stubborn stains, allow the product to sit for a few seconds before wiping.

First Aid

In case of accidental contact, rinse with plenty of water several times.
Get medical attention if needed.

A clean space reflects a clear mind and a healthy body.

Soap Oil

Soap Oil is a concentrated liquid cleaner formulated to effectively remove grease, grime, and dirt while being gentle on hands. It is ideal for cleaning kitchen surfaces, utensils, floors, and general household use, leaving a fresh and clean fragrance.

Ingredients

De-Mineralized Water, sodium olefin sulfonate, cocamidopropyl betaine, sodium chloride

Directions to Use

For General Cleaning: Mix 10–15 ml of Soap Oil in 1 liter of water. Apply using a sponge, cloth, or mop.

For Heavy-Duty Cleaning: Apply directly to the surface, scrub gently, and rinse with water.

For Dishwashing: Mix 5 ml in a bowl of water, dip a sponge, and clean as usual.

First Aid

In case of accidental contact, rinse with plenty of water several times.

Get medical attention if needed.

Where there is cleanliness, there is health and happiness

DishAura - Dish Wash Liquid

DishAura Dish Wash Liquid is a powerful grease-cutting formula designed to remove tough food stains, oil, and grime while being gentle on hands. Its high-foaming action ensures a thorough clean, leaving dishes, glassware, and utensils sparkling with a refreshing lemon fragrance.

Ingredients

Sodium Lauryl Sulfate (SLS) (28%), COCO Amido Propyl Betaine, Sodium Chloride, Triclosan, Perfume, Ethylenediaminetetraacetic Acid (EDIA), Demineralized Water (DMH2O), Citric Acid, Sodium Bicarbonate, Polyethylene Glycol (PEG)

Directions to Use

Mix 3–4 ml of Dish Wash Liquid in a small bowl with about 40 ml of water. Dip a sponge or scrub pad into the solution and wash dishes thoroughly. For Heavy Grease & Stains: Apply directly onto the sponge or dish, scrub gently, and rinse with clean water.

First Aid

In case of accidental contact, rinse with plenty of water several times. Get medical attention if needed.

A clean space reflects a clear mind
and
a healthy body.

StainBliss - Detergent Liquid

StainBliss is an effective multi-purpose liquid detergent designed to remove tough stains and dirt while being gentle on fabrics. This high-performance formula provides a deep clean with a refreshing floral fragrance. Suitable for hand and machine washing, it works on all types of fabrics, leaving clothes fresh and bright.

Ingredients

De-Mineralized Water, sodium hypochlorite, hydrogen peroxide

Directions to Use

For Machine Wash: Use 40–50 ml for a regular load. Adjust as needed for larger loads or heavily soiled clothes.

For Hand Wash: Mix 10 ml in 5 liters of water. Soak clothes for a few minutes, then wash and rinse thoroughly.

For Tough Stains: Apply a small amount directly to the stain, gently rub, and let sit for a few minutes before washing as usual.

First Aid

In case of accidental contact, rinse with plenty of water several times.

Get medical attention if needed.

A cleaner tomorrow starts with better hygiene today.

CleanPalm - Hand Wash

CleanPalm Handwash is a gentle yet effective liquid soap designed to cleanse hands while keeping them soft and moisturized. Its antibacterial formula removes dirt and germs, leaving a refreshing fragrance. Suitable for daily use on all skin types.

Ingredients
